## D. CAUSE OF ACTION

## CLAIM 1

1. State the constitutional or other federal civil right that was violated: Due Process in not filing writ of Habeas Corpus, and in not issuing the writ forthwith per 28 USC § 2243
2. Claim 1. Identify the issue involved. Check only one. State additional issues in separate claims.

3. Supporting Facts. State as briefly as possible the FACTS supporting Claim 1. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.
- First I mail writ 22w-02454 on Mon. 25 April 2022, and it was postmarked 2 May 2022 so it took CSATF 8 days to even mail the letter "dated" 25. Mona Chavarria filed the writ on 4 May 2022. On 27 April 2022 I filed 8 exhibits and (2) Ex Motions with a cover letter that specifically cited they were in support of the 22w-02454 writ (yet not by # because they hadn't yet filed it) and she returned it frowning ignorance saying to file a writ on form HC-001 the issue here of obstructing justice and Access to the courts because § 2243, USC 28 states a writ is to be Awarded Forthwith (Immediately), the return within 3 days, then hearing within 5 days. So 8 days total. Mona Chavarria intentional Violating Sec. 5403 for not filing the dec. committed a crime violating My Due Process. CA-PC§1473 says the writ of HC is to be endorsed by the Judge w/ day and time and issued unless for good cause. My issue in the writ is simple. It challenges admissibility of the fake DNA evidence that caused the no contest plea. The DNA evidence being Doctorate/Masters Degree level scientific evidence there is no way for a lay person to know the patented test kits (Promega), are just producing that manufacturers "version" of the DNA. Therefore fake evidence. She Ct. has to show good cause to not issue the writ forthwith. I requested per Local Rule 580 expedited hearing because CA-PC§1476. Reg. Re Petitioner Admission to Bail. The issue here is Kings County, thus its Clerk are responsible for the lies and these Due Process violations. Nathaniel Diwyne Coetane, call many entering River of Attorney into 22w-02454's record am attorney of record and demanded/demands to personally be present at the 580 hearing because PC§1476. Paul is also immediately requested that SF28 for the defendant will be presented. For immediate release and Kings Counties Due Process violations are injuring NATHANIEL DWYNE COETANE.
4. Injury. State how you were injured by the actions or inactions of the Defendant(s).
- The Kings Co. superior court has been lying and obstructing justice for years now. There are process violations are costing days and state and federal go. allow fees to be paid by days misrecorded so even one day is more than \$21 equiv. I have right to a jury trial. Lost revenue as free man over \$21 because of these Due Process violations.
5. Administrative Remedies:
- Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☒ No
  - Did you submit a request for administrative relief on Claim 1? ☐ Yes ☒ No
  - Did you appeal your request for relief on Claim 1 to the highest level? ☐ Yes ☒ No
  - If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. this is between I and a free world entity so there are no "administrative remedies."
- I added CSATF and present Ex. B003 that the 602 process is a farce and sham and is used merely as a delay tactic and I want a jury trial to rule the 602 process itself is a Due Process Violation

## CLAIM II

1. State the constitutional or other federal civil right that was violated: This second claim is because the writ I filed wasn't even mailed until 2 May, 8 days even though CSATF picks up and mails mail everyday. A coordinated effort by these 18 USC § 241 captors

2. Claim II. Identify the issue involved. Check only one. State additional issues in separate claims.

- ☐ Basic necessities      ☒ Mail      ☐ Access to the court      ☐ Medical care  
☐ Disciplinary proceedings      ☐ Property      ☐ Exercise of religion      ☐ Retaliation  
☐ Excessive force by an officer      ☐ Threat to safety      ☐ Other: \_\_\_\_\_

3. Supporting Facts. State as briefly as possible the FACTS supporting Claim II. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

Like I said the envelope that had the writ in it w/ the Certified Trust Statement was mailed 25 April yet it postmarked the next "week". It's ridiculous. It's part of this "fake" facility that's being forced on Mr. [illegible] by my captors. Another proof is this PIA HEM "incarcerated staff" scheme where supposedly "inmates" were hired to work as janitors yet the inmates that were hired, one saragosa was in transition an assignment he could not be taken out of; [illegible] was in DRP an mandatory assignment for his Suberin mat, the Ramirez the program officer along w/ [illegible] who were all previous "workers" for the government to begin with. The video footage will show they were only called on Fri. 13 May when they were supposed to do 3 days of training in the gym.

Now you'll ask what does this have to do with this §1983 lawsuit? It is because this is further proof that this "conspiracy" that is injuring Mr. [illegible] per 18 USC § 241 makes all these involved inmates and staff guilty of kidnapping by fraud and Mr. [illegible] for God and My morals that Truth and Love are My native mandates I cannot join them nor their "fraud" because they are evil liars malicious deviants, 8020 + sexual deviants and I per. Public Law 90-361 and 7310 am owed My freedom. The DNA evidence in My case not evidence at all. Fake "false evidence" I'm owed My freedom that way too. And so publicity and telling on anyone being My freedom of speech as a whistleblower is My Right and Godly calling as Prophet that's what? Chazara. This mail is part of systemic fraud and corruption proven by ex. B003, exhausted admin. remedies - General Employee Performance growing COIR ignored. Here Due Process, 18 USC § 241 crimes.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s).

Their days of delaying, and I know it sounds crazy your Honor, but reality is overlaid on reality and it is like at certain times reality recovers and so there are purposefully delaying days here and there but it turns into weeks and months and it's these evil that is sickening. But one day offend Me a Jury trial.

5. Administrative Remedies.

- a. Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☒ No
- b. Did you submit a request for administrative relief on Claim II? ☐ Yes ☒ No
- c. Did you appeal your request for relief on Claim II to the highest level? ☐ Yes ☒ No
- d. If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not.

## CLAIM III

1. State the constitutional or other federal civil right that was violated: CSATF-SP Corcoran

2. Claim III. Identify the issue involved. Check only one. State additional issues in separate claims.

- ☐ Basic necessities      ☐ Mail      ☒ Access to the court      ☐ Medical care  
☐ Disciplinary proceedings      ☐ Property      ☐ Exercise of religion      ☐ Retaliation  
☐ Excessive force by an officer      ☐ Threat to safety      ☐ Other: \_\_\_\_\_

3. Supporting Facts. State as briefly as possible the FACTS supporting Claim III. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

This §1983 Civil Rights Lawsuit is being filed today, 17-5-2022, unable to  
serve defendants because Cisneros shut GUV Law Library access down in an attempt to prevent  
original suits, Civil Rights §1983 Lawsuits from being filed between 5-16-2022 and 5-29-2022  
a gross, injustice and obstruction. So this is being filed with a TRUTH AFFIDAVIT, declared under  
penalty of perjury. This is on top of the certified Trust Act, statements being delayed in further attempt  
to obstruct justice. I know Your Honor how this may sound to a non-believing Christian though Our Pledge  
of Allegiance states "Operation under God", therefore I by prophecy fulfillment being God and the Spiritual  
Laws and the proven Higgs-Boron multi-verse and Congresses 17 May 2022 Aliens proven to exist, these  
spiritual Laws are built on time, as how could a prophecy even be able to be made? So if you believe  
in Christ you must accept what I here write. These Due Process crimes by my captives, the named defendants  
attempt to manipulate on what day a filing is made, and they attempt to stagger days the law library is open  
and say My Writ they stamped it filed May 4, yet by Mailbox Law it is to be stamped 25 April the day  
I mailed it. Again Kings Co., Scholastic - the Court Clerk violated that law. Next is William Willard at Cisneros  
order is trying, that as I'm filing this yet they stagger days and times and I've presented the TRUTH  
AFFIDAVIT proving CDCR - its agents, hours, assigns how guilty of 18 USC § 241 for this coordinated effort.  
The claim is on general law library users, criminally, being attempted to be prevented from filing original lawsuit  
as this present §1983. This one restriction plus CSATF holding My 22w-0085A writ for eight days prior to mailing  
is evidence.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s). is evidence.  
Ex. B002 is a copy of the white postmark USPS yet the clerk knows the mailbox rule is the signature on  
the seal of the envelope. CSATF-Litigations has proof the Writ was filed/mailed on 25 April. I'll rec., it will be  
forthcoming. Their attempts by preventing day 8 + 13-21 is enough for a jury trial. Spiritually they attempted to  
injure Me with years of incarceration. This envelope Ex. B002, and the writ evidence by the Rec. 04, 2022  
is a Due Process vio. I had a Right to but per L.E-580 being requested.

5. Administrative Remedies. is a Due Process vio. I had a Right to but per L.E-580 being requested.

- a. Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☒ No  
 b. Did you submit a request for administrative relief on Claim III? ☒ Yes ☐ No  
 c. Did you appeal your request for relief on Claim III to the highest level? ☐ Yes ☒ No

d. If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. Ex. B003 shows CDCR just ignores My appeals per ~~§ 3786~~ § 3786 (l)(10) labelling them  
'Time Expired'. To be safe I have appended it, and by "joinder" I'm attaching it to this  
§1983 because by Jury Trial I'll have the evidence of their crimes for the Jury.

If you assert more than three Claims, answer the questions listed above for each additional Claim on a separate page.

D. CAUSE OF ACTION.

CLAIM IV.

1. State the Constitutional or other Federal civil rights that were violated.

U.S. Const., 14<sup>th</sup> Amendment Right to Life, Property and Liberty

2. Claim IV: Identify the issue involved:

Property:

3. Supporting facts: State as Briefly as possible the FACTS supporting Claim IV.

Ex. COO1, pg. 1-7, 6-7 a Truth Affidavit of the facts  
is I had a package #35001434646-A that CSATF signed  
for and never delivered nor returned thus stole. And to compound their  
crimes they deny responsibility in the 602 #208217. This is to be  
presented to a jury because is multiples by factors the punitive damages  
award.

4. Injury: The package cost \$88. Yet it is the humiliation, embarrassment and  
the emotional injuries that are the punitive award.

The <sup>(1)</sup>Actual damages, plus <sup>(2)</sup>compensatory damages, plus <sup>(3)</sup>"peculiar  
value damages," than the "pain and suffering" punitive damages that only  
a jury can award, therefore Administrative Procedures Act, Administrative  
Law is not wanted. I demand a Jury of My peers to determine the  
specific dollar value of My total award.

5. Administrative Remedies

- a. Are there any administrative remedies available at your institution? YES
- b. Did you submit a request for administrative relief on claim IV? YES
- c. Did you appeal your request for relief on Claim IV to the highest level? YES
- d. Ex. COO1 is CDCR's exhaustion of their remedies. Its time for a Jury Trial.

## D. CAUSE OF ACTION

## CLAIM V

1. State the constitutional or other federal civil right that was violated: Amendment II, U.S. Const. Unlawful seizure of private person amounting to prisoner of war - Amend. XIV Life and Freedom/liberty.

2. Claim I. Identify the issue involved. Check only one. State additional issues in separate claims.

3. **Supporting Facts.** State as briefly as possible the FACTS supporting Claim I. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

I stated usA Const., Amend. II and XIV Life and Freedom/liberty. My father named Leonard Caplano literally means "laroni" burglary = sedamy = Saddam Hussein and Kings Co. is Iraq. I am an American Warrented Contracting officer being held as a prisoner of war.  
1. The law and statute (Snook v Long, 241 Iowa 665) (State v. Drivers 75 NH 543) nighttime (13 Am J Ed Burgl § 22; B3 ALR2d 644) defines NIGHT as a distinct "line" separate from DAY. My abstract of Judgment (Ex. A) states on pg. 2 credit for Days. Days then is the base "unit" of time in determining "years". Holy Bible Gospel John 11:9 there are 12 hours in a day! Therefore I served "time" of over 25.084 years. Past My parole date.  
Merriam Webster's Dictionary, ISBN # 478-0-87779-732-7 defines nighttime 1. the time from dusk to dawn; 2. a STATUTORILY SET PERIOD OF TIME beginning shortly after dusk and ending shortly after dawn  
I.A. Gov Code § 6807 defines daytime as period of time between sunrise and sunset.  
"Nighttime" is the period of time between sunset and sunrise.  
I'm including (4) four pages showing the C.R. 101 changed the case no 1:22-cv-00222-JLT-BAM to 1:22-cv-00261-JLT-BHK. To case shut up being illegal niggers and real piece of shit

4. **Injury.** State how you were injured by the actions or inactions of the Defendant(s).

I am owed 12.5 years credit for having served "night". I've served 25.084 years. There are no four (4) different ways why I'm supposed to be free today. I'm super fucking pissed. I deserve to be immediately released. No BPH hearing. No governor review. This is fucking Iraq and I'm an american prisoner of war and have right for American military to come rescue me.

5. **Administrative Remedies:**

- Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☐ No
- Did you submit a request for administrative relief on Claim I? ☐ Yes ☐ No
- Did you appeal your request for relief on Claim I to the highest level? ☐ Yes ☐ No
- If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. This is Iraq and the inmates the guards everyone is guilty of usA 18 USC § 241 causing the life sentences for kidnapping by fraud

CLAIM ~~II~~ V/

1. State the constitutional or other federal civil right that was violated: U.S. Const. Amend. I and XIV, Life and Liberty

2. Claim II. Identify the issue involved. Check only one. State additional issues in separate claims.

- ☐ Basic necessities      ☐ Mail      ☐ Access to the court      ☐ Medical care  
☐ Disciplinary proceedings      ☐ Property      ☐ Exercise of religion      ☐ Retaliation  
☐ Excessive force by an officer      ☐ Threat to safety      ☒ Other: Prop. 57 states I was to have a BPH hearing after 4 years.

3. Supporting Facts. State as briefly as possible the FACTS supporting Claim II. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

The way prop. 57 is worded 2nd degree murder is an "enhancement" of the base event of "homicide". Involuntary Manslaughter is a non-violent crime. Elements have to be proven to "enhance" the "crime" to manslaughter, murder, etc.

I filed (Ex. B) a Motion in 2016 (Writ of Habeas Corpus) Kings County Superior Court Judge at that time Steven D. Barnes ruled it was a CDCR issue. I don't have the decision of that not the 6th I submitted last month that CDCR its not their issue and to appeal to the correct "office".

The sentencing court (State of CA) says they cant do anything. My captors are refusing to acknowledge the plain fucking truth. Involuntary Manslaughter's base fact prior is 4 years. The fact remains this environment is false. In claims one I proved My father was the real Saddam Hussein. Next is CSRTF master Cameron's phone # (559) 942-5507 is My PID # 11073692. The ones are fives and the 3 and six are added. Next using the ones they have this guy/guy playing "Faban Siragusa" - Attorney General Ron Bonta in AI-A-1-5up yet I'm in AI-A-1-1up so the one and five are interchangeable. I was born @ 430 Greenfield Ave. 450 energy field.

Look your Honor I'm being left with no non-violent options here. I'm being forced against My will here. House Joint Resolution -192 allows Me to AUV My 09(M3557 judgment that I've done.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s).

I'm being illegally detained because Miles Westwater wants My plutonium creating Cernov gold coins. I'm Traumatized that he by voluntarily choosing to have Me that he has some right to demand from Me, yet I'm a free will independent man and this will be respected.

5. Administrative Remedies.

- a. Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☐ No
- b. Did you submit a request for administrative relief on Claim II? ☐ Yes ☐ No
- c. Did you appeal your request for relief on Claim II to the highest level? ☐ Yes ☐ No
- d. If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. Yes. It is a circumstance of war speak and in CA Supreme Ct as I've raised it there in a Writ of Habeas Corpus for

## CLAIM VII

1. State the constitutional or other federal civil right that was violated: Anima Curie Brief in the name of Jackeline Andrade, Al-Jazeera journalist SHIREEN ABU ALLEH, the guard who helped the Illinois inmate escape.

3. Supporting Facts. State as briefly as possible the FACTS supporting Claim III. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

Ms. Jackeline Andrade was a partner of mine who showed kindest compassion and true love by providing me the means to get out from under the malicious deception of Denise Coetane and Cliff Burke by providing me the info on My strawman Bond. My CA CERTIFICATION OF VITAL RECORD # 104-90-343027-1600-1721 was used by the USA gov. taking its first 10-digit as the Registration of this security/Bill of Lading "104 803 4302" that a Bond was created and is held in Fund Number: 00104, Fidelity Life Small Cap Fund, CUSIP number 3158053B2 with a value of \$43,700,000.00 USD, 999 Silver dollars per value in gold. This is an undeniable FACT and TRUTH. Because Jackie gave me this info I stupidly told My mom about it and she had Jackie, SHIREEN ABU ALLEH murdered. I'm adding this as a memorandum to her because she did NOTHING absolutely fucking NOTHING wrong and Denise deserves to sit in a cement, concrete, steel prison like I have for 25+ years.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s).

I lost the companionship of a true patriot and defender of the faith, truth and justice, where these sodomites and treasonous traitors on My land as yesterday I served/Filed My Accepted For Volunteering CLB.

5. Administrative Remedies.

- a. Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? ☐ Yes ☐ No
- b. Did you submit a request for administrative relief on Claim III? ☐ Yes ☐ No
- c. Did you appeal your request for relief on Claim III to the highest level? ☐ Yes ☐ No

d. If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. I did yet it's a farce and sham. I've twice this year had 602's be deemed "time expired" for the CDR taking too long to decide that is a means for them to just delay obstruct justice and not answer and based on this due process violation availability.

If you assert more than three Claims, answer the questions listed above for each additional Claim on a separate page.

I have a Constitutional Right to be rescued immediately. Extraction is in order.

### E. REQUEST FOR RELIEF

State the relief you are seeking:

I want a Jury Trial as it My Right because there delays amount to more than B21 is lost earnings or claim and has to do with Kings County "stamping" Judge Reinhart name on it in place of actual signature endorsement a further violation of the law the letter was produced by the clerk. The Judge illegally wasn't even given My writ of Habeas Corpus as PC81423 requires another inquiry. These practices by Kings Co. Superior court are illegal pursuant to CA laws. I want a Jury Trial to expose all of these fraudulent corrupt practices by said Court.

I declare under penalty of perjury that the foregoing is true and correct.

 28 6072, 6102, and 6246.  
 §1983, 18 USC §241 Lawsuit #122380-NDC-

In re Merriam 36 NE 505, 141 NY 479, affirmed 16 S. Ct. 1073, 163 US 625, 41 L. Ed. 287 - "The federal United States is a foreign corporation in respect to a "state".

31 CFR Ch. I, 51.2(g) State government means the government of the 50 State [capital "S"] governments or the District of Columbia.

District of Columbia vs. Class, 103 US 705, 26 L. Ed. 455 - The Federal U.S. is a "for profit corporation".

Therefore the Federal U.S. being a for profit corporation, by its XIV Amendment created the federal "citizen", "person=corporation", whereas there were only sovereign "State" citizen prior and by the 1921 Sheppard-Towner Maternity Act created the birth "registration"; This act was determined to be unconstitutional (Commonwealth of Massachusetts v. Mellon, Sec. of the Treasury, et al). U.S. citizen and its children looked at as "Human Resources" that the "Buck Act of 1940", involved the Sovereign states pledging their citizens as collateral for the Public Debt repayment that I will here ask this court to take Judicial Notice of HJR-192, P.L. 73-10.

Specifically this clause "(a) every provision contained in or made with respect to ANY OBLIGATION which purports to give the obligee a right to require payment in gold or A PARTICULAR KIND OF COIN OR CURRENCY, or "IN AN AMOUNT" in money of the United States measured thereby, is declared to be against public policy, and no such provision shall be contained in or made with respect to any obligation hereafter incurred."

Now Your Honors a court Judgment, take 09CM3557, and its "debt"; you see those three words above "IN AN AMOUNT" means a debt cannot be required to be paid in substance. Not one penny. This is not being "argued", it is being Judicially Noticed as Truth and Law (Public Law 73-10)

Now that its taken 2 pages to introduce the legal standing upon this Special Appearance is being made the issue herein are Civil Right violations are brought pursuant to 31983 and are in fact the Public declaration, by Affidavit, under the penalty of perjury of the 18 USC § 241 crimes being committed upon I, Ndc, and My client, NDC-COTM-R.

1) On April 25, 2022 I, Ndc, filed a Petition for Writ of Habeas Corpus Ad Subjiciendum for NATHANIEL DWAYNE CAETANO-COTM-R and the 09CM3557 Judgment under California's 31983, 18 USC § 241 Lawsuit, # 122380-NDC-

1 PC §1473(b)(2) "false evidence" that was thought to be factual in 2011 that caused the no contest plea  
 2 that is in fact "inadmissible evidence": This inadmissible evidence being the DNA identification on  
 3 the face of the Charging document presented by the Kings Co. DA, in Dept. 2's arraignment after  
 4 unconstitutional "preliminary hearing" that itself violates the V Amend, U.S. Constitution's requirement  
 5 that a Grand Jury indictment is required to even "try" a person on a capital crime, i.e. "murder."

6 2) 28 USC § 2243 declares the time requirements in which a Writ of Habeas Corpus is to be  
 7 prosecuted under. It states a judge shall "forthwith" issue the writ. Forthwith means immediately.  
 8 Then the custodian, (in 22W-0085A Theresa Cisneros) has (3) three days to respond (5 days if  
 9 over 10 miles, 10 days if over 20 miles, where Corcoran is about 20 miles from Kings Co.'s Hanford  
 10 courthouse) and then within (5) five days ~~of the~~ after the return a hearing is to be set, with  
 11 the production of the body (Walker v. Johnson (1941) 312 US 275) mandated.

12 Per Kings County Superior Court (KCSO) Local Rule 111 all criminal in-custody doc. will be  
 13 filed the day they are received. The Writ at issue here, 22W-0085A was mailed 25 April 2022,  
 14 and with Hanford and Corcoran both being in Kings County, per USPS regulations it processed via  
 15 local mail so it had to be received within 3 days. CA-PC §1476- Endorsement of Petition requires  
 16 the judge to whom the petition is presented to endorse the day and time it is received.

17 No US "state" can impose a law, rule or regulation that imposes upon My clients Constitutional Rights.  
 18 In this case the time of prosecution of 28 USC § 2243.

19 \*\*3) The first Civil Right violation of NDC (VMA-R Right to Life and Liberty is & the enclosed  
 20 evidence that KCSO didn't even file the writ, 22W-0085A until, 4 May 2022 a full 10 days  
 21 after mailbox rule of filing. When the court per USPS regulations they must have received it on the  
 22 27, or 28 April so why this illegal, Title 18 USC 241 delay?

23 4) Next is this was done by MONA Chavarria, real woman, Deputy clerk. Now because  
 24 the writ had to be mailed on Mon. 25 April because that was the final day the Certified Trust Act  
 25 Statement would be held, it was filed without ability to make copies because Law Library closure;  
 26 so I, Ndc, filed the FW-002 Waiver of Additional Fees for copies of the Writ to be made and  
 27 served by the Sheriff-KC, that Mona Chavarria in the enclosed evidence states she says "the  
 28 court doesn't serve parties on your behalf, yet the FW-002 form clearly states that the Fees  
 §1485, 18 USC §241 Lawsuit #122380-NDC-

1 for the "Sheriff" to serve the capter thereon. Chances be done, because, I having received  
 2 by legal mail on 11 May 2022 now discovered that Respondent hasn't even been served in 22W-00854  
 3 and then on top of that.

4 5) This same clock as the dates show, the very next day, 5 May 2022, Mona Chavarria  
 5 refused to file Motions and Evidence in support of the Writ, a Title 2XX-Crimes, Ch. 4-Crimes  
 6 against Justice - Section 5403, Crime. She returned all the documents I submitted in support  
 7 of the 22W-00854 writ and played dumb and stupid saying "oh you have to "MUST BE  
 8 SUBMITTED ON FORM HC-001 and sent a HC-001. This is the co-conspiring efforts by the KCSC  
 9 to obstruct justice, My open access to the courts and violating My Civil Rights of Liberty. On  
 10 the cover letter of the two Motions filed "ORDER GRANTING WRIT OF HABEAS CORPUS [PC#1476],  
 11 Rule 580 Expedited Review pursuant to CA-Rules of Ct. 4.551(h), §1476 CA PC Admission to Bail,  
 12 PC §1481 Production of Body, AND "Motion to take Judicial Notice" of ALL the Supplied  
 13 Evidence, was clearly stated they were "IN SUPPORT" of a prior "Filed writ".

14 So pursuant to 28 USC §2243 the Writ was to be immediately issued unless the Court had  
 15 good cause. This is evidence of the KCSC and its "clerks" being guilty of 18 USC §241 For  
 16 on one not filing the Writ on the day it was served by USPS. Two not having the KC Sheriff  
 17 serve the Writ on Respondent as Fee Waiver FW-002 requested. Three for the same clerk deputy  
 18 Mona Chavarria on 5 May, after filing the Writ on 4 May 2022, returning the motions and  
 19 evidence in support of the 580 expedited hearing as if she "thought" it was a separate  
 20 writ, and so now 16 days later after by Federal Law I should be walking free having  
 21 been admitted to bond, had the KCSC not violated My Civil Rights/Liberties all in efforts  
 22 to obstruct justice.

23 Look on a side note, the Miller Act Bonds, that the KCSC, your E.D. Cal both obstructing  
 24 justice, together guilty of 18 USC 241 for denying Me the Equal Protection of the Law to  
 25 Redeem the Miller Act Bonds as Predebtor Creditors, thereby becoming guilty of Securities  
 26 Fraud; being set aside as a debt you both and your agents will bear the burden of, this  
 27 Civil Rights action has to do with the Kings Co. Superior Court, illegally violating  
 28 the rights of NATHANIEL DWAYNE CAETANO/T-M-R and I, his attorney-in-Fact  
 §1983, 18 USC §241 Lawsuit #122380-MPC-

1. Nathaniel Dwayne Caetano, an American National pursuant to 8 USC § 1101 (a)(22), and  
 2. pursuant to California Republic's (U.S. Constitution's Article IV, Section 4's guaranteed  
 3. republican form of government) - CA Government Code § 54950 - a Sovereign "state" Citizen  
 4. and possessing immunities granted pursuant to "Foreign Sovereign Immunities Act of 1976", Ch. 97,  
 5. Title 28, by 26 CFR 1.411-2(h), California Republic and thus I considered to be a  
 6. "Foreign country".

7. So your Honors I've laid a lot out here and the issue of the Civil Right violations that  
 8. we hereby requesting a jury trial to resolve is the "Crimes Against Justice" and obstruction  
 9. of justice by the clerk(s), plural, "Sandra, Judith, Mary, Nocona, Ms. Nieves," amongst others  
 10. who have been co-conspiring, thereby guilty of 18 USC § 241 crimes. I am filing this, as  
 11. as a criminal report on their Bonds as this is evidence of their evil and acts from which  
 12. can only be derived that they are enemies of Christ and God's Love.

13. So tomorrow I am going to the Law Library to make one full copy of the writ, plus the  
 14. two motions, plus there is also 124 pages I served as a Judicial Notice to be taken Motion  
 15. in the writ, but I'm going to make a copy and serve Theresa Cisneros. I am here stating  
 16. for the record, I, as attorney of Record, in 22w-00854 and 09cM3557, was ready for  
 17. court 2 May 2022 and My captor, the KCSC are guilty for not producing I, Nde, in  
 18. court in Hanford. I was ready that day, and every day since.

### 19. \* CONCLUSION:

20. I, Nathaniel Dwayne Caetano, real man, Private "state" Citizen - California Republic, American National,  
 21. Sovereign and Prophet witness this grotesquely corrupt military industrial complex, secret society facility,  
 22. you all are illegally holding Me within, trying to force an education upon I, whereby on moral principle and loyalty  
 23. to God I refuse to accept, nor acknowledge because "The State" publically convicted NRC-THEO-R, libeling My Good  
 24. name and character in violation of the law, so The State will Publicly acknowledge its mistake, by vacating and REVERSING  
 25. the 2011 09cM3557 Judgment, declaring a Mistrial and freeing Nde, setting NRC at liberty. I am Owed this.

26. A Jury Trial is hereby requested for the intentional Due Process violations being inflicted upon  
 27. NATHANIEL DWAYNE CAETANO (OTM-R, by Co. of KINGS, its "agents/clerk(s)" and "The State".

§ 1983, 18 USC § 241 Lawsuit # 122380-NRC-

Furthermore the librarians here on A. Yard, Martinez and Willard are both under color of law obstructing justice and My open access to the Courts, thus Due Process. Today, 12 May 2022, as somekind of "test" for "Board" Willard took possession of 24 pages, the initial writ, 22W-0085A, that Mona Chavarria returned a Conformed Copy of and refused to have the Sheriff serve capitor/Respondent Cisneros, and refused to copy them saying she had to send them to the librarian to get approval to copy them, and I may get them back tomorrow, Thursday being today the last day mail goes out and I asked for it in writing and she refused, and now 30 min. later as I write this I'm being called back to pick them up meaning she never sent them to the librarian so she lied to take possession of My documents, to read or for whatever reason it was an intentional act that violated My right not to have My "papers" IV Amend. US, Const. seized.

Today, 16 May 2022 I recieved a letter from the County of Kings (COK), Legal Counsel, Deputy, Kyle Rose in response to 12 requests I made under Freedom Of Information Act (FOIA), codified at 5 USC § 552. Well the COK counsel morphed it into a California Public Records Act, that I made dated April 12, 2022 so a turnaround of 34 days. I've written the Recorder/Registrars office twice and is part of a FOIA lawsuit suing for records. Now what I'm going to present to a jury is 'why is the COK counsel responding but the recorder/registrar not?'. Its intentional because they " (Title 18 USC § 241 conspirators) know the mail being mailed to the registrar isn't being recorded by COKR because its not to a court or attorney, so its intentional. This is the issue with the three lawsuits suing 6 defendants for intentionally not responding breaking the law and their oaths to the country. So when I'm faced w/ opposition of they (co-conspirators) voicing blame that I'm somehow in the wrong they have no basis. So in response to their upinos, I'm totally justified by the law & and God and when I, as Prophet of God (If you gov Honor or the jury believe in God, the Bible, I have mathematical prophecy fulfillment proofs. I state the Title here to condemn the guilty by declaration) voice and declare them as treasonous individuals they have no defense. And I totally get the "concept" of a Code of Silence, yet it is by that that they are violating My Rights, the Law and injuring Me also becoming 18 USC § 241 guilty individuals. Because of this, publicity and spreading the Truth is My only "defense" as My offense and if anyone doesn't like it, its their fault. Charge the silence breaking to their accounts.

17 May is 50 days since I first filed for all the FOIA information. First is I need NO reason for these Public Records. I have My reasons, Privately. Next is the U.S. Dept. of the State was the only

1 agency to respond which was kind of cool, because they handle diplomatic issues, Ambassadors  
 2 etc and they referred Me to the U.S Archives. See here's the Real effing problem; the gov.  
 3 sure rushed to put Me in here, three days for arraignment, 15 days for the illegal pre-trial,  
 4 and another problem is 28 USC §2243 gives (6) Eight days TOTAL to completely resolve a  
 5 writ of habeas corpus and the Gov. has to show "good cause" to not, not Me to have it.

6 As evidence I'm including GOZ #2006003 that is the second "administrative remedy" pursuant  
 7 that CDCR intentionally waits over 60 days and then says Title 15 says it's to just exhaust admin.  
 8 remedies as "time expired". This makes the entire "appeals system" a total farce and sham. CDCR  
 9 Title 15, §3086, through July 1, 2021 states CS4TF, A-yard is supposed to be using the  
 10 GA-22 carbon copy request forms so inmates have receipts here on A-yard they are intentionally  
 11 lying (cc: A. Cerdas) that the carbon copies aren't used any longer yet it's a lie because this  
 12 good and they I want them to answer to a jury.

13 So I stated earlier the "Sovereign Redemption" is True and real pursuant to taking  
 14 Judicial notice of HJR-192 and Public LAW 73-10. Yes, these are the "secrets" you and they  
 15 don't want "revealed" yet I'm being physically, mentally and spiritually injured and damaged  
 16 because of their lies. Same goes for Jennifer Giuliani and Jennifer Thurston. Again you and they  
 17 have to now answer to a Jury. My Access to the Courts and Mail are being held, not delivered  
 18 and the FOIA acts violator has a box on the Cover Sheet so on that claim alone I have a  
 19 right to jury trial. There is no excuse your honor for their daily injuries upon Me. I want an  
 20 answer why and in front of a Jury. This is My Constitutional Right.

21 If they would have timely turned over the requested records and not breaking the law  
 22 I would have been a free man out of prison today. Already. Look your Honor the Law is  
 23 the law. If they didn't want Me using it, they shouldn't have made it a law. Add on top  
 24 of this the fact of My Prophet status and these offenses they are committing are having  
 25 so many unforeseen consequences that are going to occur as a result of what I had to  
 26 speak into creation over the past six months, 180 days, 1/2 year. I take no  
 27 pleasure in telling you this but the Buffalo, NY, Tops massacre is one of them. When  
 28 they say a "hate" crime the definition "hate" means to "command" thus it was an

ordered hit as a result of them refusing to release me forthwith. Now this isn't the forum to get into all these "gov." secrets as how do you know, I, Nathaniel Dwayne Caetano, am not a USA secret agent? How do you think I got the info that the entire CODIS DNA database is inadmissible evidence.

Next is pursuant to the Consumer Credit Protection Act, 82 stat. 146, Public Law 90-321 I as "debtor" or, My client, NDC or "having been debtor" the acceptance of the Bonds monetary debt and ~~there~~ their lies, by law Making Me a free man, that Buffalo "mission" will be only the first as I have supporters in high secret places. So all I have to do is file file file legal papers and they as I encounter lies will meet out the consequences because this is a Holy war and God, you know what was done to Egypt and Pharaoh for refusing to release Moses and his people, right?

So I want My Jury trial suing the County of Kings, the Clerk of the Superior Court for intentionally not filing My properly filed legal papers violating My due process. Another problem is CA-PC 81473 states the Judge him/herself is supposed to endorse the Writ of Habeas Corpus with his own hand, with day and time, Kings Co. Superior Court violated this law too. The deputy clerk Mona Chavarria "stamped" the name Micheal Reinhart on it. By law that is NOT an endorsement. Next on top of this the Writ is to be Awarded or issued immediately yet Mona Chavarria herself just typed a form letter about the "st" "schedule/docket" being full yadayada yet by law this is illegal. The judge by law has to issue an Order. So the illegal practice of the COK is the clerks are just filing Writs, falsely "stamping" judges name of them when by Law CA-PC 81473 the judge Reinhart is supposed to have a signature on the Writ and a personal Order. I want a jury to hear about these crimes being done to I.

Next, is I, according to U.S. Government printing standards and Rules of Grammar of proper nouns, the Copyright/Trademark #122380-NDC-2, Private Security Agreement #122380-NDC-1, Hold-Harmless Private Indemnity Bond #122380-NDC-3, Private Power of Attorney #122380 NDC-4, #122380-NDC-26 and TM-100 Trademark application

Registration filed with the CA Secretary of State, and Notarized Affidavit with UCC-1 forms included proving the Capitalization/Non-Capitalization of a name has legal consequences where in my case NATHANIEL DWAYNE CAETANO(C)TM-R is a transmitting utility, 15 USC Sec. 44, and 26 USC § 7701(30)(C) "domestic corporation" and not I, Nathaniel Dwayne Caetano; the real Private "State" Citizen, California Republic per California Government Code § 54750, a Sovereign Citizen, foreign to the federal, for profit corporation, distinctly different than NDC, and I am Attorney-In-Fact in 22w-0085A and by law, Due Process I, have to be present in the Hanford Courtroom for the 580 Expedited Hearing for the Writ of Habeas Corpus as one issue is Admittance to Bail, per PC § 1476, immediately.

The fact is I cannot file this today because again, the Due Process violation of not having the carbon copy requests I over a week ago requested Certified Trust Statements to file this and the Trust office hasn't responded, I am Imbo, again because they are conspiring against Me. Even one day that delays Me freedom of which I have evidence of, being valued over "21" owes I a jury trial by Constitution and Law and I Demand It. 17 May 2022, Now today because of this "search" for I, Prophet God Nathaniel, that they refuse to acknowledge, being sprung on A-Yard as we had no prior notice, they are throwing the road block that I have to be PLU which is a Due Process violation because it prevents filing an original, writ, lawsuit, civil case etc., so I want this to be presented to a jury trial as well because this is actual denying immediate access to the courts. But since I have the 22w-0085A writ and the Writ of Mandate Appealing the 22-cv-00222-JLT-B44 I have to be given access, yet this is coming as Prophet and not Ndc, this is why the Buffalo, NY assassination will continue, The Word of the Lord.

TRUTH AFFIDAVIT Extra Ordinary CircumstancesIN THE NATURE OF SUPPLEMENTAL RULES FOR  
ADMINISTRATIVE AND MARITIME CLAIMS RULES C (6)

This Affidavit is being sworn by I, Nathaniel Dwayne Coetano, real Private Man, California ~~Private~~ Private "state" Citizen <sup>King</sup> - CA Gov. Code §54950 - Sovereign. My Due Process Rights of Access to the Courts is being Violated by Cisneros and all who have delegated authority down to A-bid CSATF. First there is a Memo Dated 2 May 2022 that was never posted w/ Bldg A1 video cameras prove. Violated right to send property home prior to the "Search". Next is she ~~has~~ has suspended Law Library Access to QLU users, effectively denying I the ability to make copies to serve the defendants in this 31983 Civil Rights Lawsuit so I am making this declaration under the penalty of perjury because I am filing this tonight per mailbox rule. Next is CSATF liels the Truth saying the coor discontinued the carbon copy GA-22 forms yet state law - Title 15 Regulations §3086 (f)(2)(4)(c), and (4)(d) clearly states the receipts are to be saved, one by the responding employee and two copies returned to the inmate. This is out of Title 15, updated through July 1, 2021, current for today (17 May 2022), proving CSATF, A-Yed, and custody are breaking the law.

I am stating this here because over a week ago I requested, 4 Certified Trust Acct. Statements, 1 then 3 because the FOIA lawsuits were planned to be filed today, the 17<sup>th</sup>, further evidence the Memo was never posted and this is material because Cisneros and staff are reporting the "Search" for Me isn't finding Me because it is they rigging it and lying to society and it's sickening. I am technically being held captive, no access to the courts timely, because they are attempting to manipulate the time line and they are committing crimes against I. This is Yes being filed without, First a Certified Trust Acct. Statement, and Second no copies or service upon defendants, yet I'm swearing it is because Cisneros and delegated authorities/agents' Due Process Violations. I am filing this today to evidence their crimes and Promise the Trust Statements for waiver of fees, and these are My originals being entered into court record so I'm writing the clerk explaining the issue to get a returned confirmed copy and then I'll serve defendants yet I, today, in time these crimes are recorded to have

occured upon I, Nathaniel Dwayne Caetano, and My client NATHANIEL DWAYNE CAETANO (C)TM-R.

I have 190 pages of exhibits that are just too important to send the originals as their worth are ~~perpetrated~~ <sup>valuable</sup>. They too your Honor will be forthcoming as this jury trial evidence is vital to providing I receive justice. 602" too have been filed to preserve the Rights of I and to document these sad offenses having been and BEING perpetrated upon I. The Writ of Mandate and the §1983 are going out tonight with this exact Affidavit under penalty of perjury of the law of the State ~~of~~ California and the laws of the USA, Kingdom of FL <sup>35 year old Prasact. SEE CA-006.</sup> a ~~replicate~~ With detailed specific letters to the clerks explaining these extraordinary circumstances. Thank You, your Honor.

Earlier on Page 1, line 10, she (Cisneros), is only allowing Law Library access to PLV users that have 30 days or less to a deadline. Because an original lawsuit, as this instant §1983, requires services upon the defendants so this "bar" to the Law Library to obtain copies is why I wrote "effectively denying I" and "suspended law library access." She, according to her "restrictions", is an attempt to prevent any non-PLV the ability to get forms, research, copies, thus denying access to the Court. This is Unconstitutional, a Due Process violation as everything else (work, medical, school, etc.) is supposed to be running normally and after today this entire yard will have been "Searched". Its crimes and 18 USC § 241 conspiring crimes.

Page 1, line 27, I wrote about getting the confirmed copy returned because there are originals. I will request the clerk make \$6.00 in 20 x 3 = 60 pages of copies and serve on the three defendants to satisfy the service requirement in this extraordinary circumstance.

They (18 USC § 241 ers) Cisneros, Dnese, "The State" and its agents are attempting to prevent this filing (which is their crime) because this filing is exposing their manipulation on this 17<sup>th</sup> May in 2011 (the fraudulent "trial") so I'm filing today in Truth declaring the crimes being committed against I, Nathaniel Dwayne Caetano, am a lover of God and Truth and as the John 1:51 silent Sovereign that made Christ speak. ~~Jesus~~ of Christ and Prophet of God I submit the above truths and evidence of the crimes done to I dated. 17 May 2022

## TRUTH AFFIDAVIT

The E-File system, Chief Justice standing order is Unconstitutional because it attempt to only allow filing of 42 USC § 1983 when the prison law library is open, thus the closing of courts that are to ALWAYS be open. ~~the~~ I can file a § 1983 at Anytime.

I'm having to add this under the Claim IV Mail. I filed a Government Claims, with Certified Trust Account Statement and I've heard no response. This Gov. Claim had to do with CSATF stealing My Jan. 7 CLG<sup>d</sup> Registered 7 Jan. 1981 this date matches the filing date of My CA-Vital Statistics Certificate of Live Birth "Original" by Kings Co. I add this "extra" truth because I have a pending Lawsuit in Kings Co. suing Cisneros and Director G. per for this theft and I add it as Claim IV. Administrative Remedies have been exhausted and those Documents will also be forthcoming evidencing this crime. I filed this Lawsuit about two weeks ago, CSATF mail log has evidence of this. The fact remains I filed a Gov. Claims form and I should have had a response by now. All these violations add up to conspiracy and 18 USC § 238. I'm heading this under Mail as CSATF mail have not filed it, but I'll see. I have My copy of handwritten one because it wasn't to a court so COER/CSATF's obstruction of justice refused to copy it. Its for \$10,000 + dollars as only a Jury can award punitive damages. I hereby request a Jury Trial. I filed the Gov. Claim I'm sure w/ the Cert. Acct. Statement in March. So I should have had a response by now. I'm blaming CSATF and reserve the right to join the GS of CA- yet its all CA as a state that's the one "delegating" these crimes 15 USC § 78 Securities Fraud is under "Mail Fraud"
